

## **Mauritius Cargo Community Services Ltd**

### **Deployment of CCS Ocean Export Module** **Validation of Sea Export COPARN with BoE**

MACCS wish to inform the Export Community that effective as from 17<sup>th</sup> of April 2019, MRA Customs will be officially validating COPARN messages relating to Export Containers / Booking with respective BOE as submitted by Export Entities / Customs Brokers via the CCS.

In that respect, the fee chargeable by MACCS for vessels for which operations have ended and containers loaded on 01st May 2019 will be as follows: -

1. Shipping Agents: **Rs 325/= + VAT per Vessel**
2. Exporters: **Rs 165/= + VAT per Booking/Bill of Lading**, to be collected by Shipping Agents, irrespective of the number of containers covered by this COPARN.

As a Trade Facilitation Platform, the CCS has since 01<sup>st</sup> July 2016 deployed the submodules that have helped the Export Community to comply with Verified Gross Mass requirements as per IMO SOLAS conventions. Furthermore, the CCS has provided for the generation of EGIN Export Gate-In Notif which combines the Shipping Line Booking and BOE CUSRES, as well as the sending of emails at each critical point of the export process.

Please also note that the various status of the reception of the containers for exports is also available via the Track and Trace system of MACCS, available on its website or its free mobile apps MACCSTRAX in both AppStore and Google Play (Play Store).
