21st of September 2020

Dear Valued Stakeholders,

Following the workshop held on the 30th September 2020, Kindly note MACCS will be migrating data for the months of August/September/October 2020 to the enhanced platform by 29th October @ 21:00.

In that respect, you are kindly advised to invalidate/delete Bookings/Containers which are not in use/valid on CCS if you do not wish to face control validation failures on the platform.

If data is not cleaned at your level, you will be solely liable if you cannot re-use booking/container numbers.

Relying on your collaboration

PS: Kindly acknowledge receipt of this mail.

PS: We will communicate in due course our Go-Live scheduled for the 30th October 2020.

Regards
Khaleelah
